The **National Comprehensive Cancer Network (NCCN)** and the **Society for Integrative Oncology (SIO)*** endorse acupuncture as a complementary therapy in the treatment of the following:

- Pain
- Chemotherapy Induced Nausea and Vomiting

Value of acupuncture has not yet been established for the following treatment side effects, but limited studies have shown some possible patient benefit:

- Dry Mouth
- Fatigue
- Neuropathy
- Hot Flashes

*NCCN and SIO conduct and evaluate innovative research which significantly contributes to understanding, diagnosing, and treating cancer. They ensure evidenced-based practice focused on improving the quality of life for cancer patients.

Fee: There is a \$75 fee for the first appointment and \$50 fee for each following appointment.
